Colleagues,

I am honoured to have been elected the new Police, Fire and Crime Commissioner for Northamptonshire and to have the opportunity to be the voice of the people in policing, the fire service and criminal justice.

I took an oath to serve people without fear or favour, and I will work hard to stand for all communities across the county.

My first week in office has been busy, as I have been getting to know the Chief Constable, the Chief Fire Officer and my team in the Office and building relationships with them. I will start to arrange meetings with partners over the coming weeks and will be in touch with you soon.

We can only build safer communities through strong partnerships and close collaboration, and I'm looking forward to working with you as I develop new police and crime, and fire service plans that reflect the priorities of local people.

I look forward to working with you.

With all best wishes,
